

# Banks and Non Performing Loans

The regulators  
forbearance period  
might be over soon.

If so, thousands  
of loans will be  
classified as NPLs.

**NPLs reduce  
banks ability  
to lend.**

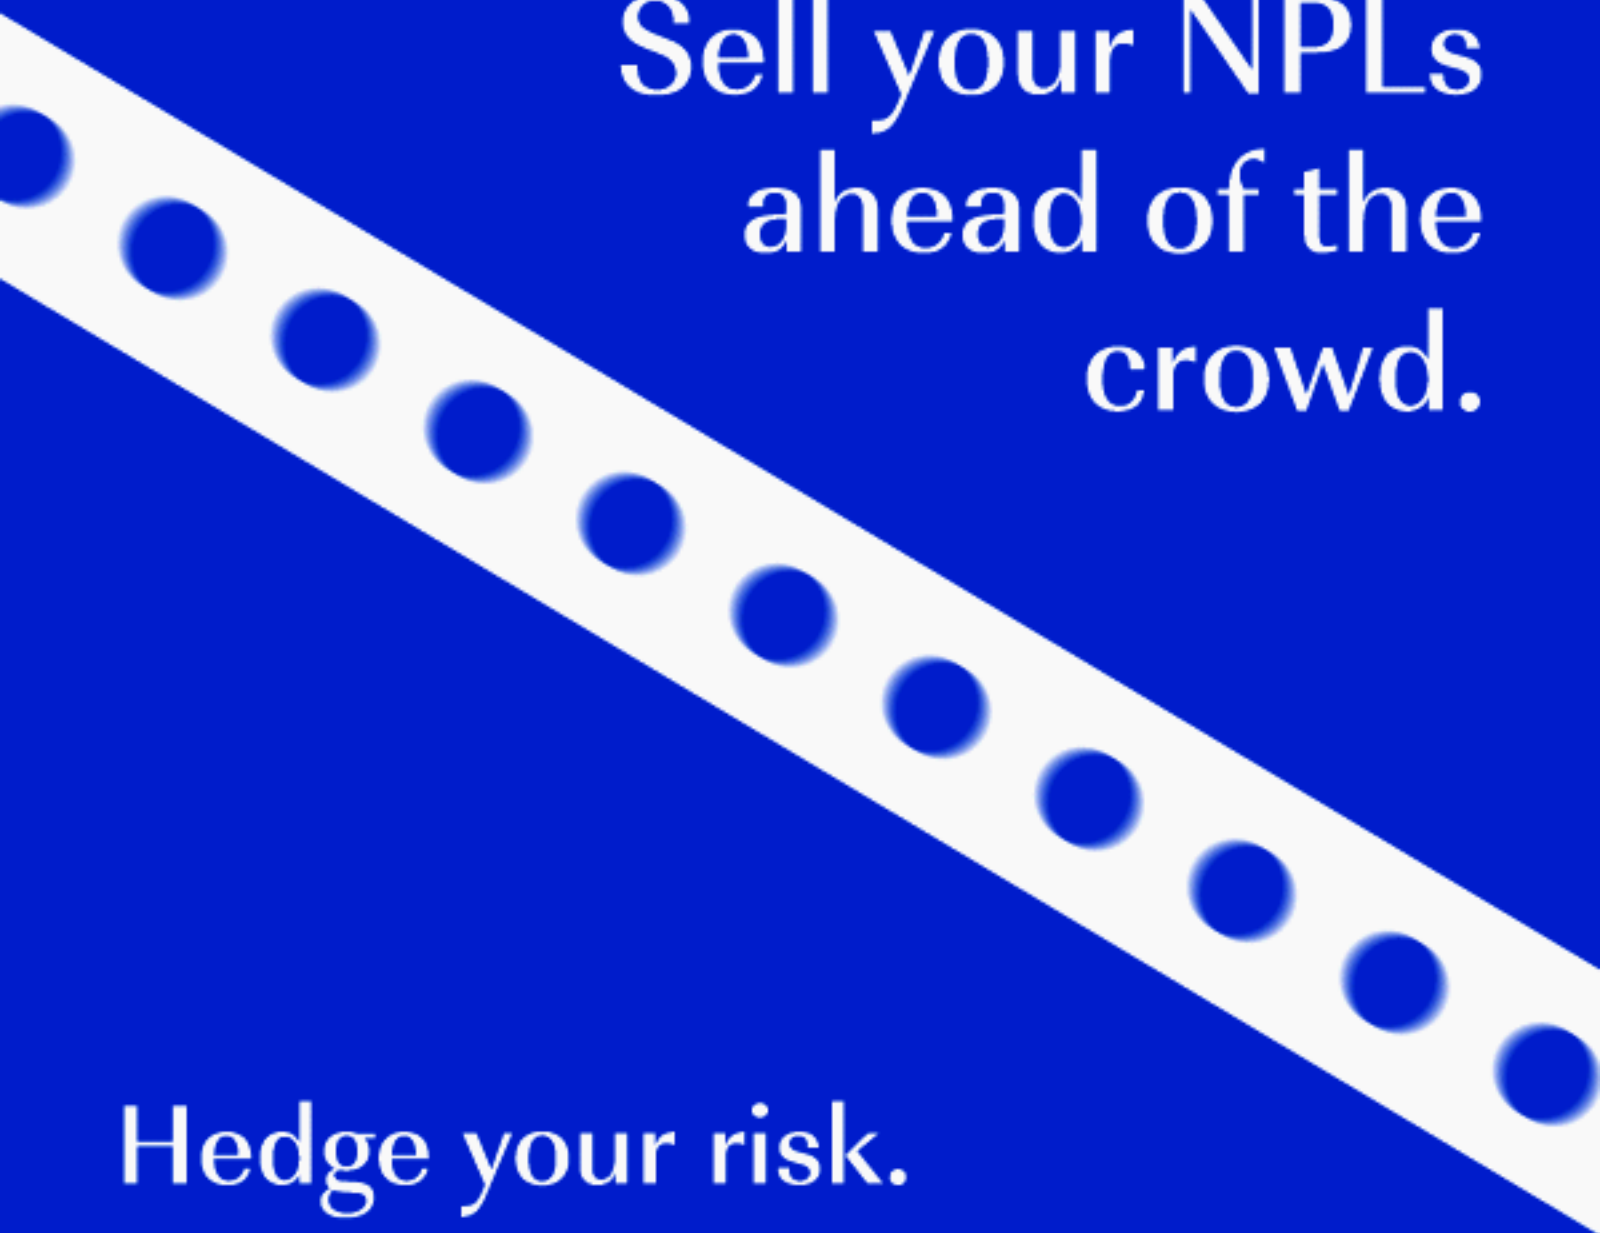

**NPLs make  
banks less safe.**

With time, NPLs  
become more  
difficult to deal with.

Plan your best  
strategy now.

Sell your NPLs  
ahead of the  
crowd.

Hedge your risk.
